Sec. 5. This act is an urgency statute necessary for the immediate preservation of the public peace, health or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting such necessity are:

An organized band of men armed with loaded firearms has recently entered the Capitol of the State of California, knocked aside an Assistant Sergeant at Arms of the Assembly and invaded the Chambers of the Assembly,

thereby creating a serious threat to the orderly function of the government of the state. Existing laws are not adequate to prevent such serious interruptions in the orderly processes of the government of this state and threats to the safety and welfare of the officers of this state. It is, therefore, imperative that this statute, which will make unlawful actions such as these of the armed band which invaded the State Capitol, take effect immediately.
